April I

Scone Horse Trials was on the 14th & 15th of March. The Truck and the newly decorated Guardor float made the trip up on the Friday. Stuart rode Charlotte Mavis and Jenny Rissman's Kinnordy Giselle in the Intro class. With this only being her second time out she put in a fine performance to finish 4th. San Antonio owned by Sue Walker and Orchard Hill contested the CNC** class, they finished in 8th and 9th place respectively. Kinnordy Rubino was in the Pre Novice class and put in a sterling performance to win the class. Jaymee was in the preliminary class and finished in 9th place and Gemma was in the newcomers and finished 6th.

The New Zealand Horse of the Year Show was on the 19th -22nd April. Stuart and Karen both attended. Stuart rode in the CIC** class. He was kindly lent a horse called Tanqueray by the Montgomery family. Stuart and Tanqueray finished a very credible 6th especially when you consider he had only sat on the horse for the first time that week. Stuart and Karen also spent time on the Coprice and Bates stand throughout the show.

We had a visit from Marcus Oldham College on the 6th April. Around 30 students arrived to watch a jumping demonstration from Stuart. The students all seemed very keen to learn and asked many questions from feeding, grooming, saddles to training. We even educated them on fly control with **Ecomist!** Stuart spent some time on saddle fits with his **Bates** range, plus nutrition with **Coprice** feeds and **Naturevet**. Amy also did a grooming lesson, thanks to **Horseland** and their products. Each student went home with a bag loaded with information from our sponsors.

April II

On the 10th and 11th of April, Stuart held a XC clinic out a Camden. With five groups over the two days, as well as a truck load of horses for Stuart to ride including Kathy Ward & Pete O'Connell's Vettori and Sarah Ingham's Watermark Greyson it was a busy Easter long weekend. All the students had a rewarding lesson and all enjoyed it. Amy put together show bags! As it was Easter, full of sponsor 'goodies'

Watermark Greyson schooling at Camden.

As mentioned in the previous newsletter we had a new arrival at TE. Kinnordy Genuine and Chili are both doing well. At the moment Chili can't quite decide if she is Chestnut or Grey.

Mother and Daughter.

All the best from all at TE.
