August 11

The highly regarded Australian International 3 Day Event is the only 4 * Equestrian competition in the southern hemisphere and one of only six in the world, taking its place alongside Badminton and Burghley in the UK, Kentucky in the USA, Pau in France and Luhmuhlen in Germany. The 2009 event will be held in the Adelaide Parklands from November 13th – 15th and this year will also host the hotly contested Trans Tasman Championship.

Only 3 months ago Adelaide CCI**** was on shaky ground and was thought that it would be lost in Australia. Many supporters of the sport came forward with donations to keep the event in Australia.

Event director – and dual Olympian – Mrs Gill Rolton said she was thrilled by the incredible generosity that the event had attracted since making an announcement that the event was facing the axe because of a budget shortfall.

TE are set to take 3 four star horses (Vettori, Panamera and Ari) all contenders for the World Championships in USA Kentucky 2010.

TE donated a substantial amount in the interest of the sport, our owners and our sponsors to keep a 4 star running in Australia. A full list of donations can be found on the website plus information about this fabulous event and what you could do to help save it for the future and keep the event of a standard above all others.
