November already! The past 4 weeks have been fairly chaotic here with 4 horses being prepared for The Australian 3de (Adelaide) Vettori, Panamera, Ari-de-Gwaihir and reserve Watermark Grayson. Trying to prepare, preserve all horses at this level takes a lot of dedication and long hours! As many of you may or may not know Amy McGregor (our head groom) writes our news (seems to have a better finger on the pulse than us sometimes!) BUT this one will be me (Karen) as Amy, Stuart and the boys (Kiwi, Buzz and Ari – all their stable names) are on the road. Amy has just been a saint and the 'ROCK' for this yard of late.. (Thanks Amy we would not be where we are without you and your upmost love for our and our owner's horses).. Back to the news!

Lynton Horse Trails (Goulburn NSW) had over 30 in the CIC*** and we took the 'Big boys' only to this event for their last run before Adelaide. Vettori scored over 70% in the dressage, which we have been working towards with the help of Clemens Dierks, great to get some funding for coaching! Panamera and Ari in the top 6! With clears in both XC and SJ on all 3, Stuart took out 2nd (Vettori) 5th (Ari) and 6th (Panamera) all pulled up well and are now on the truck to SA for Training Camp, Trans Tasman Cup where Vettori hopes to get a birth on the team with Panamera reserve.

As this is the quickest newsletter ever.. I just wanted to mention that even though we have had a lot our our plate right now, we still have to manage the rest of the yard and the last week the weather here in NSW has been all over the place and we have had flies and some skin conditions. Ecomist is just the most incredible product to keep the flies away in your barn, home and truck. Just go to our link on www.tinneyeventing.com or email info@ecomist.com.au With the skin conditions we are using Naturevet Outback range of shampoo and itch relief lotion after the shampoo. Both these products are available from your local HorseLand store. All these products work the way we expect .. so give them a go!

Watermark Grayson as he is so fit and well hopefully will go to NZ Puhinui In December to do the CCI***. It is such a shame that we do not have more CCI events here in Australia for the horses and riders.

Oh if anyone of you owns a Porche and receives their prestigious magazine, 'christophorus' there is a fabulous article on our elite Porche horses Boxster, Carrera and Panamera. (All powered by Coprice and NutriRice!) Worth a read.

That's all for now, and I will now sit and bite my nails until Adelaide is over always willing the horses and their rider comes home safely! Who says this is not a stressful sport!!

Catch you soon.. Hope you enjoyed my version of the news!?? Please excuse any mistakes..

Karen (moral support the kids!)
