October

The weather in Sydney seems to be all over the shop from dust storms to 32 degrees back to winter conditions all very bizarre.

The 26th & 27th of September was Scone horse trials. The Tinney Truck heads to the North of the Hunter Valley to the Capital of Horses. The dust storms hit again on Saturday but thankfully they cleared by that afternoon. Orchard Hill was starting in his first 3 star class, and finished in 12th spot. Kinnordy Genuine was in the PN section and with a slight hiccup XC she completed the event getting her back into the eventing swing after taking time out to become a mother. Kinnordy Rubino was in the CNC*. Unfortunately they parted company on the XC which is something that does not happen often to Stuart. Both were fine and will live to fight another day. San Antonio owned by Sue Walker was in the CNC** class and placed 4th. After a super winning test and a little time XC.

San Antonio Scone CNC** 4th

The 26th September was also the day that Karen, Jaymee and Gemma head down to Melbourne for the Horseland National Interschool Championships (Bates also came on board with sponsorship) with their ponies Fonsie O'Flaherty and Folkin Integrity. Gemma and Folkin Integrity were competing in the show jumping phase.. This consisted of three individual show jumping rounds, their totals came together to place them in 4th place through out Australia! Jaymee and Fonsie O'Flaherty took part in the Eventing .It was not to be Jaymee and Fonsie's competition and they finished 19th. Both Girls did extremely well to be selected to represent NSW in this competition and we know this will not be the last time they will represent their State or even their Country!!! Look out Dad!

The 3rd and 4th October was Canberra CIC Event. So the truck heads off to a very cold and wet ACT. Kinnordy Genuine got another Pre Novice start under her belt. Gwen Tinney's Orchard Hill, Sarah Ingham's Watermark Grayson and Tim Game's Panamera were all in the CIC*** class

October II

It was a very busy weekend with 3 in the same class. Especially when it came to the XC and SJ phases with very little time to change over horses and get them to perform to their best. Gwen's Orchard Hill finished 6th. Sarah Ingham's Watermark Grayson finished 5th and Tim Game's Panamera won the competition. It is great to see Panamera in great form after some time spent doing successful embryo transfer. The father being our very own Koyuna Levi.
